

Roskirk Stages

3rd March 2013

Major Motorsport attended our first rally of the year on Sunday 3rd of March, at the Three Sisters Kart Track in Wigan. The Roskirk Rally consisted of both a junior and adult field.

After a successful days testing at Curborough sprint circuit with Simon last week, Mark Jasper put in a last minute entry in his Mk2 Escort prepared by Major Motorsport. Mark and co-driver Phil Merrills thoroughly enjoyed the day, and kept the crowds entertained with some flamboyant driving. The crew finished 9th O/A and 5th in class. Mark is now looking forward to his next event in 2 weeks time, the AGBO Stages in Weston Park.

This first round of the Junior Formula 1000 Championship was the Eliot Stevens' first rally; everyone was very excited to see him competing after building him an ultimate spec Junior Nissan Micra. Emma Morrison co-drove, while Eliot drove perfectly, he started slowly and gradually increased his pace. Improvements in his driving were clear all day. By the end of the rally, Eliot was setting some respectable times to finish 8th O/A. Eliot's father Morgan enthused "Yesterday was excellent and Eliot had a great introduction to rallying with a finish and no damage to the car. All very pleased and Simon should be very proud of how the car went when compared to the others. He clearly know what makes a car handle well."

Congratulations both!
